

The SKYHOOK

HOLIDAY CITY AMATEUR RADIO CLUB

www.hcarc.us

March 2024

Toms River, NJ

Our President's Message

One of our members, Steve Jackson, has another hobby in addition to amateur radio. The talk on genealogy should be an interesting presentation and a diversion from our normal topics.

Steve has outlined his discussion as follows:

The March HCARC meeting will touch on a subject not normally covered during a standard radio club meeting. The subject will be genealogy. What is genealogy? Genealogy is tracing your individual ancestral history using historical records. These can be official records such as vital records meaning birth / death certificates, marriage / divorce, or adoption records too.

Years ago, one would have had to research courthouses etc., but now there is a lot of information even the novice researcher can find on-line. The March club meeting will briefly touch on a few ways to go about your family research and hopefully ease what can be a bumpy road.

Doug Poray KC2TZC, President, HCARC

March 13 Chinese Luncheon

Meet us for lunch on Wednesday, March 13th at 12 noon at the Fortune Buffet, Route 37 West.

Happy Birthday To:

Michael Carson KC2OQF

Raymond Kozakiewicz KC2TPK

John Roberts KQ4WR

Vickie Freidman

Vincenza Mattson

Sarah Punderson

Maureen Dobrolovich

Happy Anniversary To:

Dennis & Pat Aldrich

Christine & Steve Jackson

OUR NEXT REGULAR MEETING:
Thursday March 7th at 7:00 PM
Holiday City South Clubhouse A
Santiago Drive at Mule Road

Ocean County ARES® News

March 2024

Toms River station setup inside garage area

K2MDW at his UHF/VHF station

On Saturday, February 17th, Ocean County ARES once again supported Girl Scouts Thinking Day On The Air (TDOTA) in Ocean and Monmouth County.

Girl Scout in QSO

The Toms River station was setup at the Girl Scouts Service Center, 1405 Freehold Road and the Monmouth station at the Program Activity Center, 127 Yellowbrook Road in Farmingdale.

Each station consisted of UHF and VHF transceivers. We did not install HF this year because of the snow on the ground, which makes it much harder to install masting and guy lines.

The Toms River station was manned by WX2NJ and K2MDW and Farmingdale was manned by KD2FFR.

The scouts took turns talking back and forth between stations after performing several activities and seeing

several displays related to Amateur Radio.

President	Doug Poray	KC2TZC	732-928-2316
Vice President	Steve Jackson	N2WLH	732-255-7916
Secretary	John Perry	KD2NDY	732-349-2705
Treasurer	Larry Puccio	K2QDY	732-349-2950
Program Chair	Carl Lee	W2PTZ	732-575-7558
Skyhook Editor	John Roberts	KQ4WR	732-350-1162
W2HC Trustee	Larry Puccio	K2QDY	732-349-2950

Membership is open to all interested persons. Ham license is not required. Dues are \$25.00 per year, payable Jan 1st.

Members joining during the year will have the dues prorated. Family membership \$30.00 per family.

Meetings are held at 7:00 pm on the first Thursday of every month except December.

Location: Meeting Room #1 in Holiday City South Clubhouse.

Directions: From either Route 37 W or Davenport Road, take Mule Road to Santiago Drive. Turn into the parking lot from Santiago Drive, park near the pool. Enter Building A (the building nearest the street intersection).

Newsletter: The SKYHOOK is the HCARC's official newsletter, circulation about 75. Original articles and photos are appreciated. Editor is John Roberts, [KQ4WR](#), 732-350-1162.

Steve Jackson's New Antenna Tuner

One evening while setting in my radio shack, I was searching the Internet for radio related construction projects I could build. I came across an article based on the popular ATU-100 designed by N7DDC, and thought this would be a perfect project tuner to place at the base of my 42 foot vertical antenna.

Kit as received

The tuner can handle 100 watts of power and by default it is completely automatic in either SSB or CW mode transmissions. The design is open source as a lot of projects nowadays are, and it has been picked up by several Chinese companies. It is provided completely built or in kit form.

Kit built for testing

This was just what I was looking for. This small ATU tunes very well on a G5RV antenna or on my vertical.

In the case it measures a small 5 5/8 long, 3 1/2 wide and 1 1/2 tall.

Kit finished in case

The finished project

Steve N2WLH
